

EL LOBO DE  
LA SIERRA

2022 Portfolio

El Lobo de la Sierra - 'The wolf of the Mountain'. To know 'Lobo', Gerardo Peña, is to love him. You immediately feel his love of family, raicilla, and life. From the Sierra Occidental of Jalisco, Lobo's signature profile is as unique as his personality. As the producer for La Venenosa Puntas, Lobo has now developed his own brandm, which we are thrilled to present.

With Agave maximiliana, Lobo takes a low intervention approach to farming. He leaves all the trees and plants agave around them. This flagship expression is one of the most well composed raicillas, representative of Lobo's meticulous and harmonious distilling practices.

Coming Soon!! This will be the second expression from Lobo. This ensemble will feature agave maximiliana and agave valenciana for yet another groundbreaking representation of agave spirits from Jalisco.

Coming Soon!! A very special batch made from 100% Agave vazquesgarciae. This agave is not widely used and provides an exploratory character while remaining within the profile of Lobo's style.

# EL LOBO DE LA SIERRA MAXIMILIANA

## EL LOBO DE LA SIERRA

This is the family brand of Maestro Gerardo "El Lobo" Peña. Producer of the famed Puntas of La Venenosa, Lobo practices minimally invasive farming and works meticulously clean at his distillery. His "vinos" are as bright as his personality.

## RAICILLA a.k.a. VINO DE LECHUGILLA a.k.a. VINO DE CERRO

Raicilla is a historic category of agave spirits from the state of Jalisco, which offers a vast diversity of maguey. The expansive terroir, along with a unique confluence of cultures and large variety of still types, gives us an experience that is an incredible spectrum of flavor.

## MAESTRO

Don Gerardo "El Lobo" Peña

## MAGUEY (AGAVE)

Lechugilla (A. Maximiliana)

## VILLAGE

Jacaless, Jalisco

## OVEN / FUEL

Adobe / black oak

## MILL

Mechanical and by hand

## FERMENT

Wild fermented in oak vats  
(with bagasso)

## DISTILLATION

2x in alembic of stainless steel  
(with bagasso)

## NOTES

Aroma - lanolin, spun sugar, verbena  
Taste - orange zest, copal resin, hay  
Texture - quick bitter, rounding oils, juicy finish
