

# SOTOL LA HIGUERA CEDROSANUM

## LA HIGUERA

A brand that set out to explore spirits made from different species of dasyliirion, also known as the sotol plant.

## SOTOL

Sotol is a traditional Mexican spirit made from the dasyliirion (sotol) plant. Though not an agave, sotol is also a succulent with a piña which can be used in the same way as an agave piña. There are approximately 20 species of sotol found throughout Mexico and the south western United States, each with its own unique profile.
